Table with 5 columns: Word, Length, Letters, and other identifiers. Lists words like FLORERIA, LICORERIA, TESORERIA, etc., with their corresponding letter counts and positions.

Table with 5 columns: Word, Length, Letters, and other identifiers. Lists words like POLURIA, AMONURIA, DISURIA, etc., with their corresponding letter counts and positions.

Table with 5 columns: Word, Length, Letters, and other identifiers. Lists words like poluhriah, amonuhriah, disuhriah, etc., with their corresponding letter counts and positions.

Table with 3 columns: Word, Transliteration, and Index. Lists words from FERIAL to CARCELARIO with their corresponding letter sequences and numbers.

Table with 3 columns: Word, Transliteration, and Index. Lists words from GUARIMAN to VOCABULARIO with their corresponding letter sequences and numbers.

Table with 3 columns: Word, Count, and Word. Lists various Indonesian words such as VENATORIA, ESCAPATORIA, NUNCIATORIA, etc., with their respective counts and the words themselves.

Table with 3 columns: Word, Count, and Word. Lists various Indonesian words such as TEMPLARIO, EBORARIO, SUPERNUMERARIO, etc., with their respective counts and the words themselves.

Table with 10 columns: Word, Transliteration, and other identifiers. Includes words like ORIENTADOR, ORIENTALISMO, etc.

Table with 10 columns: Word, Transliteration, and other identifiers. Includes words like PROTONTARIO, VOLTARIO, ROTARIO, etc.

Table with 10 columns: Word, Transliteration, and other identifiers. Includes words like prohntohriah, voltahriah, Rotahriah, etc.

Table with 4 columns: Word, Description, Count, and Matrix. The matrix contains letters and symbols representing the word's structure.

Table with 4 columns: Word, Description, Count, and Matrix. The matrix contains letters and symbols representing the word's structure.

Table with 4 columns: Word, Description, Count, and Matrix. The matrix contains letters and symbols representing the word's structure.

Table with 5 columns: Word, Part of Speech, Frequency, Matrix, and Word. Contains a list of Indonesian words and their corresponding matrix representations.

Table with 5 columns: Word, Part of Speech, Frequency, Matrix, and Word. Contains a list of Indonesian words and their corresponding matrix representations.

Table with 5 columns: Word, Part of Speech, Frequency, Matrix, and Word. Contains a list of Indonesian words and their corresponding matrix representations.

Table with 5 columns: Word, Part of Speech, Frequency, Matrix, and Word. Contains a list of Indonesian words and their corresponding matrix representations.
